#### **FRESH START - FIREARMS REFRESHER COURSE**

“Those who hammer their guns into plows will plow for those who do not.”

~ Thomas Jefferson

(This is why Ted Kennedy, Nancy Pelosi and Hillary Clinton wants gun control so badly! )

#### **FIREARMS REFRESHER COURSE**

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. Colt: The original point and click interface.
4. Gun control is not about guns; it's about control.
5. If guns are outlawed, can we use swords?
6. If guns cause crime, then pencils cause misspelled words.
7. Free men do not ask permission to bear arms.
8. If you don't know your rights, you don't have any.
9. Those who trade liberty for security have neither.
10. The United States Constitution ©1791. All Rights Reserved.
11. What part of “shall not be infringed” do you not understand?
12. The Second Amendment is in place in case the politicians ignore the others.
13. 64,999,987 firearms owners killed no one yesterday.

14. Guns only have two enemies; rust and politicians.
15. Know guns, know peace, know safety. No guns, no peace, no safety.
16. You don't shoot to kill; you shoot to stay alive.
17. 911: Government sponsored Dial-a-Prayer.
18. Assault is a behavior, not a device.
19. Criminals love gun control; it makes their jobs safer.
20. If guns cause crime, then matches cause arson.
21. Only a government that is afraid of its citizens tries to control them.
22. You have only the rights you are willing to fight for.
23. Enforce the gun control laws we ALREADY have; don't make more.
24. When you remove the people's right to bear arms, you create slaves.
25. The American Revolution would never have happened with gun control.

## **GUN HISTORY**

Whether you agree or not, it's an interesting lesson in history.

Something to think about...

In 1929, the Soviet Union established gun control. From 1929 to 1953, about 20 million dissidents, unable to defend themselves, were rounded up and exterminated.

In 1911, Turkey established gun control. From 1915 to 1917, 1.5 million Armenians, unable to defend themselves, were rounded up and exterminated.

Germany established gun control in 1938 and from 1939 to 1945, a total of 13 million Jews and others who were unable to defend themselves were rounded up and exterminated.

China established gun control in 1935. From 1948 to 1952, 20 million political dissidents, unable to defend themselves, were rounded up and exterminated.

Guatemala established gun control in 1964. From 1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated.

Uganda established gun control in 1970. From 1971 to 1979, 300,000 Christians, unable to defend themselves, were rounded up and exterminated.

Cambodia established gun control in 1956. From 1975 to 1977, one million ‘educated’ people, unable to defend themselves, were rounded up and exterminated.

Defenseless people rounded up and exterminated in the 20th Century because of gun control: 56 million.

It has now been 12 months since gun owners in Australia were forced by new law to surrender 640,381 personal firearms to be destroyed by their own government, a program costing Australia taxpayers more than \$500 million dollars.

The first year results are now in:

Australia-wide, homicides are up 3.2 percent

Australia-wide, assaults are up 8.6 percent.

Australia-wide, armed robberies are up 44 percent (yes, 44 percent)!

In the state of Victoria alone, homicides with firearms are now up 300 percent. Note, that while the law-abiding citizens turned them in, the criminals did not, and criminals still possess their guns!)

While figures over the previous 25 years showed a steady decrease in armed robbery with firearms, this has changed drastically upward in the past 12 months, since criminals now are guaranteed that their prey is unarmed.

There has also been a dramatic increase in break-ins and assaults of the ELDERLY. Australian politicians are at a loss to explain how public safety has decreased, after such monumental effort, and expense was expended in successfully ridding Australian society of guns.

The Australian experience and the other historical facts above prove it. You won’t see this data on the American evening news or hear our president, governors or other politicians disseminating this information. Guns in the hands of honest citizens save lives and property and, yes, gun-control laws affect only the law-abiding citizens.

Take note my fellow Americans....before it's too late!  
The next time someone talks in favor of gun control, please remind them of this history lesson.  
With guns, we are 'citizens'.  
Without them, we are 'subjects'.  
If you value your freedom, Please spread this anti-gun control message to all of your friends.

### **FUNNY INTERVIEW W/ MARINE CORPS GENERAL**

I got this from the Close Quarter Combatives forum @  
[www.hockscqc.com](http://www.hockscqc.com)

A Marine Corps General Reinwald was interviewed on the radio the other day and you have to read his reply to the lady who interviewed him concerning guns and children. Regardless of how you feel about gun laws you gotta love this! This is one of the best comeback lines of all time. It is a portion of a National Public Radio (NPR) interview between a female broadcaster and US Marine Corps General Reinwald who was about to sponsor a Boy Scout Troop visiting his military installation.

FEMALE INTERVIEWER: So, General Reinwald, what things are you going to teach these young boys when they visit your base?

GENERAL REINWALD: We're going to teach them climbing, canoeing, archery, and shooting.

FEMALE INTERVIEWER: Shooting! That's a bit irresponsible, isn't it?

GENERAL REINWALD: I don't see why, they'll be properly supervised on the rifle range.

FEMALE INTERVIEWER: Don't you admit that this is a terribly dangerous activity to be teaching children?

GENERAL REINWALD: I don't see how. We will be teaching them proper rifle discipline before they even touch a firearm.

FEMALE INTERVIEWER: But you're equipping them to become violent killers.

GENERAL REINWALD: Well, you're equipped to be a prostitute, but you're not one, are you?

The radio went silent and the interview ended. All over America, men were thinking: Semper Fi, Marine!

## **STORY FROM A KANSAS STATE HIGHWAY PATROL OFFICER**

I made a traffic stop on an elderly lady the other day for speeding on U.S. 166 Eastbound at Mile Marker 73 just East of Sedan, KS. I asked for her driver's license, registration, and proof of insurance. The lady took out the required information and handed it to me. In with the cards I was somewhat surprised (due to her advanced age) to see she had a conceal carry permit. I looked at her and asked if she had a weapon in her possession at this time.

She responded that she indeed had a .45 automatic in her glove box. Something---body language, or the way she said it---made me want to ask if she had any other firearms. She did admit to also having a 9mm Glock in her center console. Now I had to ask one more time if that was all. She responded once again that she did have just one more, a .38 special in her purse. I then asked her what was she so afraid of.

She looked me right in the eye and said, "Not a fucking thing!"
